

HERE'S THE SELECTION PROCESS!

- Apply for your new job at kmetro.com or governmentjobs.com/careers/kmetro
- After submitting your application, you will be contacted to schedule the "B" Mechanic Test
- An interview will be offered upon your passing the test
- Metro will confirm your previous employer information and contact your references
- A Drug and Alcohol Test will be scheduled - *Note: This test will screen for marijuana*
- A Department of Transportation physical will be scheduled
- Start your new job upon successful completion of these steps!

About Your Driver's License . . .

You are required to have or obtain a CDL license before you begin work at Metro. If you do not have one, Metro will provide paid training for you to obtain one. All license and test fees are the responsibility of the employee.

ARE YOU QUALIFIED?

- Do you have a valid driver's license and good driving record?
- Do you enjoy repairing various types of equipment and have good mechanical problem-solving skills?
- Do you have your own tools?
- Are you dependable?
- Are you willing to work nights and weekends?

STILL INTERESTED? HERE ARE THE SPECIFICS OF YOUR JOB:

This job involves performing scheduled maintenance and repairs on a 46-bus fleet for the safety of Metro's passengers and drivers.

Upon hire, you will be required to possess a CDL learners permit for a class "B" CDL with air brake and a "P" endorsement. Metro will provide training for your CDL. During the probationary period, you also will be required to obtain a Section 608 Type II Air Conditioning Certification.

This job requires climbing, standing, sitting, stooping, reaching, pulling, grasping and repetitive motions. Routinely, you will need to lift 50 pounds and occasionally lift up to 75 pounds.
