WEST ZONE

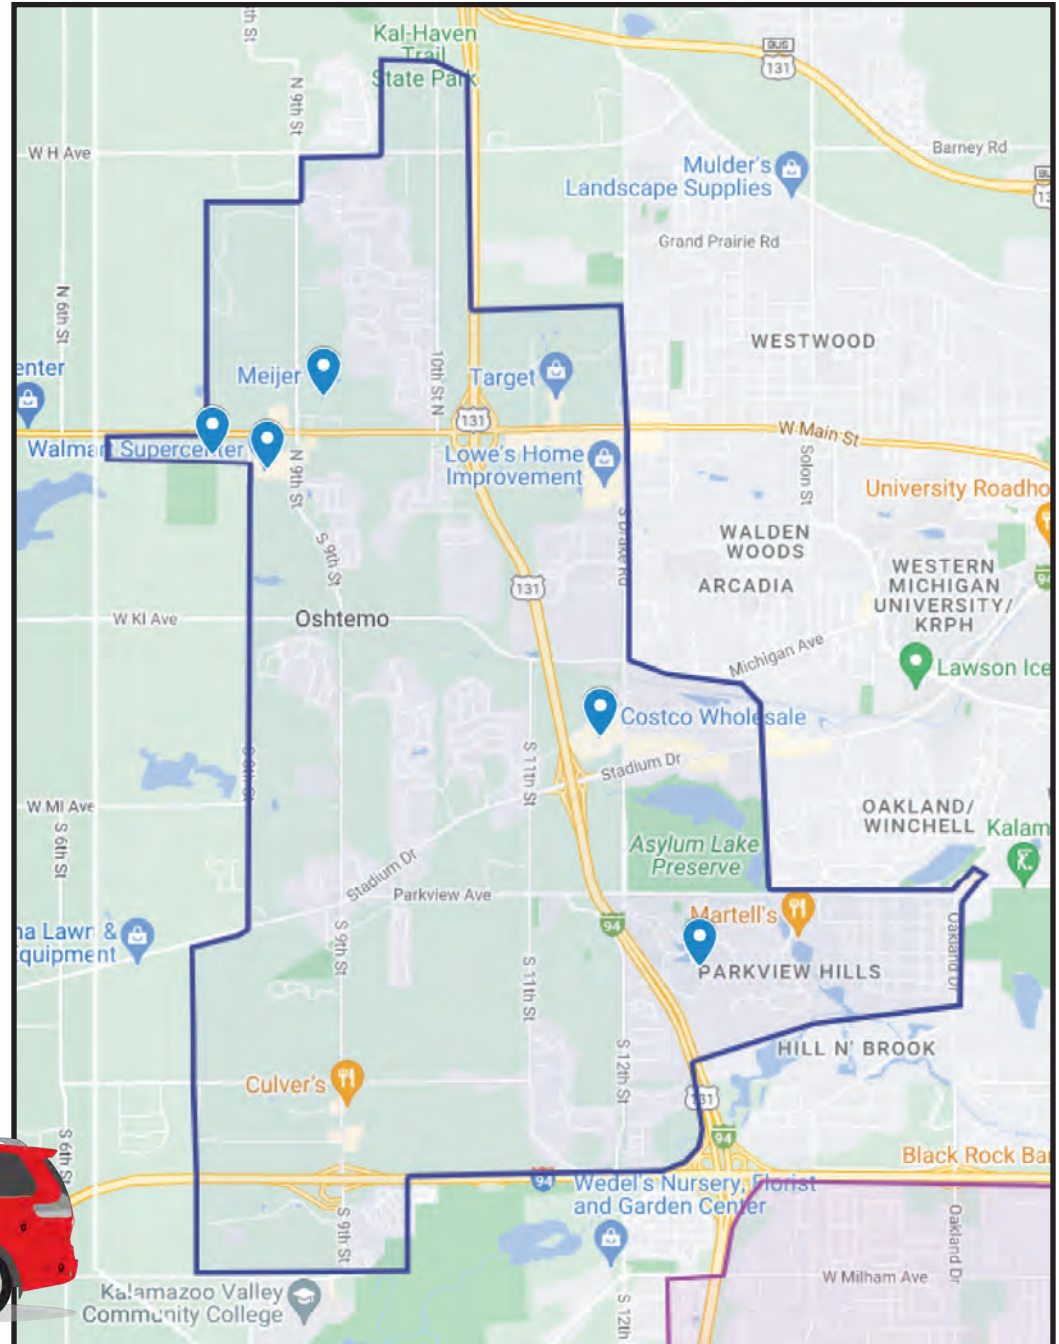

TRAVELING WITH LINK

Think of Link as an extension of the traditional bus system - it expands access to riders who are unable to conveniently access Metro buses due to geographical distance. Riders located within any of the Link zones are able to book rides through the Metro Link - Kalamazoo app. The app will indicate a pick-up point nearby. For riders with destinations outside their zone, Link will take them to the nearest bus stop to continue their travels. For riders with destinations within their zone, Link will deliver them to a drop-off point close to their requested destination.

WHERE CAN WE TAKE YOU?

West Zone Points of Interest include:

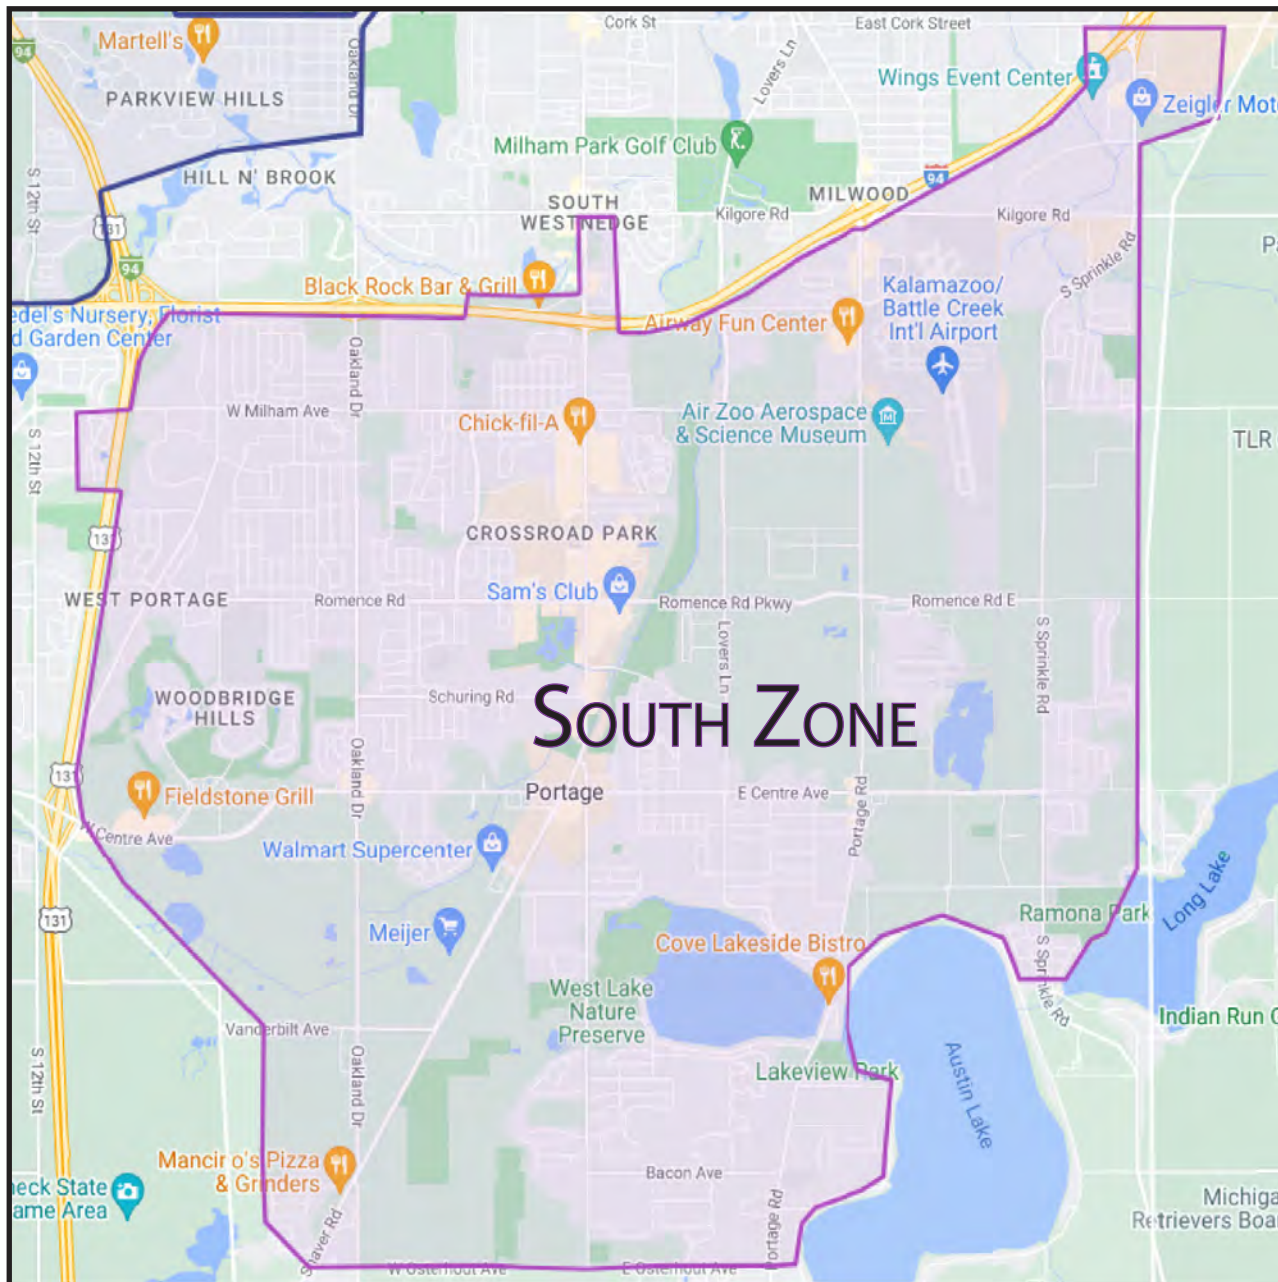

- Costco
- Business Technology Research Center
- Meijer (West Main St.)
- Oshtemo Township Hall & Library
- Walmart Supercenter (N. 9th St.)
